

Miriam's Song

(Exodus 14:1-15:21)

Pharaoh and his army chased the Israelites to bring them back to Egypt. The Israelites couldn't escape because the Red Sea blocked their way. But God parted the waters of the Red Sea, and the Israelites marched across on dry ground.

Hurry! Look out! Pharaoh and his army followed the Israelites through the Red Sea. Then God closed the waters, and Pharaoh and his army drowned. God saved the Israelites. Hurrah!

Miriam, Moses' sister, was so happy she sang a song of praise to God. Use the code to discover the words to her happy song.
