

Creation Song

(To I'm A Little Teapot)

God made day and God made night.

He split the darkness from the light.

God made you and God made me.

God made the animals A through Z.

God made the seas and the dry land, too.

He made the flowers and the sky so blue.

God made you and God made me.

God made the animals A through Z.

God made the stars shining way up high.

He made the birds and put them in the sky.

God made you and God made me.

God made the animals A through Z.

God made the sun and God made the moon.

He made the ants and the silly baboon.

God made you and God made me.

God made the animals A thru Z.
